

# OPEN TABLE

## Looking to volunteer?

**Share your passion for good food, reducing waste and help fight food insecurity at our No Waste cooking classes!**

Assist our facilitators with fun and interactive cooking classes - which aim to help participants learn how to cook creatively with what they have!

Shifts occur mostly on weekdays and sometimes on weekends - they are usually 2-3 hours long. This is an ad hoc opportunity.

Please note: these roles involve long periods of standing and moving about kitchens, as well as some lifting and cleaning tasks.

For further information contact Alanna at [workshops@open-table.org](mailto:workshops@open-table.org) or call 0413 349 573
